

MOBILE BOX

Ma Hawa Mobile Box
all-in-one solution
generates fresh
potable water
anytime, anywhere

Get water anywhere
you need it with Ma Hawa Mobile Box.

It's a small, portable, and independent unit that processes and purifies the air and converts it into fresh drinking water.

Ma Hawa Mobile Box provides up to 25 liters of fresh drinking water generated from the air. No need to carry plastic bottles or search for an available water supply.

Ma Hawa Mobile Box is lightweight, portable, and can be taken anywhere, whether in a car, RV, campervan, or bus. Powered by 12V, Ma Hawa's innovative, patented Atmospheric Water Generation (AWG) technology generates fresh, healthy water from the air.

Ma Hawa Mobile Box automatically produces clean drinking water for those on weekend road trips, long-haul truck drivers, campers, RV travelers, and even personal at-home use. Ma Hawa Mobile Box reduces the need for plastic bottled water, offering a sustainable alternative for clean, drinkable water wherever, whenever.

Advantages

FRESH AND SAFE
Drinking water from air

PRODUCES
Up to 25 liters of drinking
water each day

**OFF-THE-GRID
SOLUTION**
No plumbing needed

FULLY MOBILE
Simple and easy
to transport

SUSTAINABLE SOLUTION
Reduces plastic waste
and carbon footprint

REMOVABLE
Internal water tank

WATER PRODUCTION
Is at the point of use

STANDARDS COMPLIANCE
Complies with
international drinking water
safety standards

MOBILE BOX

Specifications

Water generation capacity

Up to 25 liters / 5.5 gallons a day

Water dispensing

Ambient

Dimensions (LxWxH)

63cm x 45cm x 51cm/25.2" x 18" x 20.4"

Weight

30kg/66 pounds (dry)

Voltage

12V

Peak power consumption

480W

Average power consumption

350W

Air filtration

Sub-micron barrier filter that eliminates <2.5 particulate matter

Water purification

Multi-step filtration cascade combined with high-end treatment technologies followed by a germicidal UV lamp. Vital minerals balance the water pH to achieve high purification and tasty drinking water.

Applications

Pickup Trucks

Camping Overland

RVs, Caravans, Motorhomes

Outdoor Workers

Ma Hawa uses patented air-to-water technology to create drinking water of the highest quality, without using expensive infrastructure or depleting the planet's natural water sources. It's also environment-friendly, reducing the need for carbon-intensive supply chains and plastic bottled water.
